- Last slide: **ONE** slide about how this paper is relevant to your project.
- Your presentation has to be professional – not cute...
- Once you have your paper selected send an email to the Prof. with your choice to avoid double selection of the same paper (first come first serve)!
- Submit presentation pdf or ppt AND paper pdf to your group repository (in “doc/presentations/email”) till Wednesday, March 15 22:00 to repo! Late submissions (or if you come with the ppt/ pdf to the presentation time) will receive a flat 33% loss of points!
- Presentations during lecture hours March 21 & 23! You have to carefully listen to the presentations and ask questions!
- 10 minute presentation plus 1 minute project relevance plus 4 minutes questions
 - Do not rush your presentation! Better present less items more slowly!
 - 10 minute presentation => 8 – max. 12 slides

 - Give a test presentation to your friends beforehand!
- Finish preparing your slides early, such that you have time practicing and improving the slides – but do NOT learn your presentation by heart!
